EDUCATION **Ph.D. in Speech-Language-Hearing Sciences** *August 2025*
University of Minnesota; Minneapolis, Minnesota
Dissertation: "Social Considerations in Sentence Repetition"
Committee Members: Mx. Benjamin Munson, Dr. Lizbeth Finestack, Dr. Matthew Winn, Dr. Kerry Ebert

M.S. in Speech-Language Pathology *August 2018*
Purdue University; West Lafayette, Indiana
Thesis: "Changes in Audiovisual Word Perception During mid-Childhood: An ERP Study"
Committee Members: Dr. Natalya Kaganovich, Dr. Brandon Keehn, Dr. Laurence Leonard

B.S. in Speech, Language, and Hearing Science *May 2016*
Purdue University; West Lafayette, Indiana
Minors: Spanish, Linguistics, Psychology

RESEARCH INTERESTS Developing effective intervention practices targeting morphosyntax for school-age children with developmental language disorder and other developmental disabilities

Evaluating the contribution of adults' speech characteristics to children's language learning and development during school-age years

Examining adult-child relationships and social evaluations in clinical and educational settings through acoustic behavior

RESEARCH EXPERIENCE **Postdoctoral Researcher** *September 2025*
Waisman Center Postdoctoral Training Program with Dr. Audra Sterling
– Present

- Conducted acoustic analyses of adult and children's speech within the Research in Developmental Disabilities and Language Lab (RIDDLL)

Research Assistant

Studies in Applied Sociolinguistics of Speech and Language Lab with Mx. Benjamin Munson

*August 2022 –
August 2025*

- Planned and conducted oral presentations and poster presentations at various conferences
- Participated in research-related tasks, such as project planning, submission to the International Review Board (IRB), recruitment, data collection, statistical analysis, and writing for publications

Research Assistant

Child Language Intervention Lab with Dr. Lizbeth Finestack

*August 2021 –
August 2025*

- Developed and conducted intervention sessions with children to target grammatical language
- Supervised students and trained new interventionists on the grammatical language intervention procedures
- Prepared conference presentations and manuscripts for publication

Research Assistant

Purdue Auditory Cognitive Neuroscience Laboratory with Dr. Natalya Kaganovich

*August 2015 –
May 2018*

- Assisted with data analysis by cleaning and averaging EEG data using a software program
- Aided with experimental protocols by placing electrodes and monitoring child participants

Lab Assistant

Purdue Experimental Linguistics Laboratory with Dr. Elaine Francis

*January 2015 –
May 2015*

- Developed experiments by generating and organizing stimuli using Qualtrics and PowerPoint
- Transcribed audio data and recorded linguistic information from research subjects for later analysis

Lab Assistant

Purdue Experimental Amplification Research Laboratory with Dr. Joshua M. Alexander

*August 2014 –
December 2014*

- Scheduled participants and guided subjects through experimental processes for data collection
- Participated in studies related to consonant discrimination

**TEACHING
EXPERIENCE**

Instructor of Record

University of Minnesota: Language Acquisition and Science (SLHS 3303)

*January 2024 –
May 2024*

- Presented course material for lectures and designed activities to support learning for undergraduate students
- Updated assignments to adhere to the department's Writing Enriched Curriculum plan

Research Assistant

University of Minnesota: Writing Enriched Curriculum

*August 2023 –
December 2023*

- Organized sessions with teaching assistants to receive feedback on Writing Enriched Curriculum implementation
- Provided feedback on course assignments to align them with the department's Writing Enriched Curriculum

Teaching Assistant

University of Minnesota: Speech Science, Capstone Project in SLHS, & Language Acquisition and Science

August 2020 –

May 2023

- Provided detailed feedback on assignments to improve students' academic writing
- Reviewed course concepts in both one-on-one settings and large group sessions

Teaching Assistant

Purdue University: Introduction to Communication Disorders & Understanding Autism

August 2016 –

December 2017

- Assigned scores for examinations and assignments to track students' understanding of course material
- Communicated with students to manage logistics of the course and to answer questions related to course concepts

**CLINICAL
EXPERIENCE****Clinical Supervisor**

University of Minnesota: Child Language Intervention Lab

May 2022 –

August 2024

- Instructed students on implementing research protocols for intervention and collecting data accordingly
- Supported student development by discussing intervention strategies and providing written and verbal feedback

Speech-Language Pathologist

Horicon School District: Van Brunt Elementary School

September 2018

– June 2020

- Conducted assessments and delivered intervention for children with language, articulation, and fluency needs
- Communicated assessment results, progress updates, and treatment plans to parents and other professionals

**GRANTS &
FUNDING**

T32 Postdoctoral Training Program in Intellectual and Developmental Disabilities Research

September 2025

– Present

Waisman Center at University of Wisconsin - Madison [T32 HD007489 with additional funding from the Waisman Center & The Friends of the Waisman Center]

Doctoral Dissertation Fellowship

University of Minnesota

September 2024

– May 2025

Council of Graduate Students (COGS) Conference Grant

University of Minnesota

Fall 2023

Leslie E. Glaze Graduate Fellowship
University of Minnesota

September 2020
– May 2021
